

Definitions - Courtesy Admission Categories

Please categorize the number of tickets distributed into the following categories:

Promo	Promotional purpose - expected to result in an increase in the number of fair customers/consumers; or expected to generate publicity for the fair.
Outreach	Distribution to support charitable organizations, public officials, public agencies, youth groups, schools, scholarship programs, or organizations that serve the active military and their families.
Trade	Courtesy admission tickets issued in exchange for an equitable amount of goods or services provided to the fair. Must provide budget relief. Also includes any courtesy admissions which are contractually committed.
Business Development	To introduce a potential business partner to the fair, or to build an existing business partner's knowledge and awareness of the fair in order to improve the effectiveness of the relationship.
Volunteer	Recognition of volunteer service to the fair.
Other	Other valid business purposes - please attach explanation for tracking purposes.
